Thank you for inquiring about having your event at the Tampa Firefighters Museum.

Here are a few things you should know as you prepare to make your decision:

- Building rental fees include the use of our tables, chairs, and linens.
- Rental fees do not include after event clean-up which is a separate charge. (Estimated \$150-200)
- This is a historical building; the use of fog machines is not permitted. Taping or hanging items on the walls is not allowed. Open-flame candles are not allowed. Confetti and/or Glitter is NOT allowed.
- You will be required to purchase a liability policy that covers any building damage or injuries resulting to guests. (Can be bought on-line, cost typically about \$150)
- We have preferred caterers that we suggest. If you choose a different caterer, we will need to meet with them to assure they are licensed and understand how to safely use this historic building.
- Alcohol must be provided by the Museum or a licensed vendor.
- Even though there is a kitchen area we have no means to heat food here.
- The Tampa Firefighters Museum has some available parking at the Museum and shares a 45-vehicle parking lot with the City of Tampa that guests of the Museum may use outside of business hours - weekdays after 6 and weekends.

Please email or call me with any questions.  
I look forward to talking with you.

Sincerely,

Austin Malby
